## About Steps

Steps2College is a program designed by Rico Rice M.Ed., and delivered through his business Rice Education Consulting LLC. Rico who is a Licensed School Counselor in the State of Ohio started Rice Education Consulting LLC., with the mission of creating a positive education environment conducive to learning by working with students, families and schools.

## STEPS' Mission

To ensure that all students who have the desire to attend college are equipped with the skills and information necessary to be accepted into college and flourish during their studies.

## Benefits

Steps2College is an opportunity for students to obtain knowledge and resources surrounding post secondary education that would otherwise not be available to them. Our belief is that by empowering students and providing them with resources to achieve, the benefits will be shared by students, schools, families and the community...Thus making our world a better place.

## Services Provided

*Steps provide an in-depth explanation of the college process and its requirements in a tangible and clear-cut process that can be conveyed through:*

### Individual Consultation

Includes an initial screening session followed by a consultation specific to one area of student's needs. Example of area of need include; assistance on college essay, resource list, scholarship list, application process or entrance interview coaching.

### Navigational Package

Includes step-by-step coaching on the college application process, educational materials, goal mapping and professional etiquette up to 40 hours of consultation over 4 years.  
(Additional hours can be acquired at a set hourly rate)

### Group Workshop, Seminar or Presentation

Provides an overview of all areas of the college process such as educational materials, goal mapping, professional etiquette and financial aid resources.

### 5 Week Courses (Individual or Group)

Includes an in-depth examination of all areas of the college process such as educational materials, goal mapping, professional etiquette and financial aid.

### Customized Educational Training Sessions

A program designed for your specific needs.

## What can you expect from STEPS?

An **Explanation** of the essentials needed for a student to be considered and accepted into the college of their choice.

**Breakdown** of the college process including researching institutions, application process, determining career tracks, overview of the standardized tests and helpful strategies for success.

**Goal Mapping** of the accomplishments and appropriate activities (by grade level) to help the student reach his/her goals. This includes resources and activities that will help the student create a college resume and profile for the application process.

**Training** on business and professional etiquette necessary for college. Students will be educated on professional issues such as personal presentation, writing a strong essay, resume building and successfully completing interviews.

**Resources and Testimonials** to give students first-hand knowledge and tips on getting the most out of the college experience. A link to the list of National scholarships available to students.
