THE COLLEGE YEARS,

*the newest program offered by
Rice Education Consulting, LLC.*

Designed for college students and staffs who serve them, this program helps students navigate the college years while preparing them for life after college.

OUR VISION

By providing a conducive learning environment, an enlightened student will become a great person with the ability to make a difference in their community. The Student will then pass on this knowledge and experiences to others thereby creating a positive generational effect.

ABOUT US

Rice Education Consulting, LLC. was founded by Rico Rice, M.Ed. Rico is a Miami University (BA) and University of Cincinnati (M.Ed.) graduate who has long been dedicated to empowering youth. He started Rice Education Consulting with the mission of helping schools and families create a positive education environment conducive to learning. Later this mission grew to include organizations that serve children.

Background

As a first generation college student Rico was suspended after his freshman year for low academics. At this time he vowed to help other students not make the same mistakes he made.

After returning to college Rico served as a diversity hall mentor. During his graduate student years he worked as an Assistant Residence Coordinator, where he was the only non-fulltime staff member to be selected for the 2006 Award of Appreciation “for his dedication to students.”
